

Instagram Story

- In your zip file, locate the "Instagram Story" folder and select an image.
- Download image, then upload and add it to your story.
- Tap on the sticker icon located at the top of your screen and then choose the "LINK" sticker.
- In the "Add Link" section, type the URL of your website.
- Tap on "Done", position sticker to underneath copy of the image, and then preview your story.
- Tap on the "Share" button to post your story.

All story images have been approved by Credova's legal team and should not be altered.
